Dear Bro. Jeffrey,

What a joy it was to get to meet you and your precious family. It was a blessing to watch God using all of you working together.

I want to thank you again for being a part of our Youth Conference. You did such a good job. Your messages were “right on” and you communicated them well. I had several adults tell me they wished more people their age had been present for they gained as much as the youth did. One young girl said, “that settles it, we just need to have the same band and same speaker every year.” I do think they listened well as you have a good way of holding their attention. It was a really good conference! I am especially grateful for the harvest. Just what we could count was amazing and who knows what else God is going to do in and through the lives of those who were there.

So, thank you again! God bless you, your family and your ministry. We look forward to seeing you again. We’ll be praying for the new radio program.

A fellow laborer,

Mason C. Goodman
