Dear Jeffrey,

The final banquet wrap-up is done, and we are still celebrating here in Oak Ridge! As you know, this year's 20<sup>th</sup> anniversary celebration will go down as one of the top events we have ever held, and we thank you so much for being part of it!

As of this morning, our total has risen to over \$105,000, and we still have a few people to hear back from so it will likely go even higher! We are so thankful to you for not only for bringing a great message, but for your friendship over the years and your great concern for pregnancy centers and the critical work we do.

We appreciate you so much and the vital work *you* do reaching young people and adults with the saving power of Jesus. We are excited about your new radio show and a whole new audience it will reach. To God be the Glory!

With gratitude from The Choices Resource Center Staff and Board,

Debbie Raines
