RE: Jeffrey Dean Ministries

To Whom It May Concern:

Of our four (4) years of BTF, Jeffrey Dean has been one of our prominent speakers and we are looking forward to his return for BTF 2010. We love Jeffrey's heart, the crowds love his enthusiasm, and the Lord loves the results when Jeffrey challenges them to make commitments.

BTF 2009 was a great example of Jeffrey's impact at Big Ticket. On Friday evening, just prior to the Newsboys, Jeffrey followed a drama called "The Cardboard Testimony". Jeffrey, himself, followed the last "cardboard sign" holder, and while the music was winding down from the drama, he commenced to share his own story, a story of how God had taken him from a youthful situation and delivered him to the life he enjoys with Christ today. Now what was unique is the "norm" is 25% of the attendees leave the Main Stage area when "the speaker" walks on, but realizing this, Jeffrey had changed his entrance strategy. 25-minutes later when he put out the challenge to leave their valuable place to watch Newsboys, rivers (not creeks or streams) and rivers of people of all ages walked to the Cross (off to the side and away from the crowd). Other than seeing my children & grandchildren accept Christ, it was without a doubt the most amazing thing I had ever witnessed Jesus do through a human being.

Jeffrey Dean will bring hands & feet to your stage as he shares from his tongue what God has laid on his heart. I truly encourage you to consider him...just not the 3rd week of June ☺.
