Dear Brenda,

I am writing this letter of reference for Jeffrey Dean. As you know Jeffrey was our keynote speaker for our annual fund raising dinner, Thursday, February 12th. Jeffrey did an outstanding job and the comments we have received from our guests and the banquet committee have been very positive.

Jeffrey's message for "Seeing & Shaping the Future" was very inspiring and motivating. We look forward to working with Jeffrey again in the future in reaching our teens and parents with the message of "abstinence until marriage".

Please feel free to use me as a reference for Jeffrey. You may reach me by phone at 865-681-4314 or email at bnhe@aol.com. Again, thank you for assisting us and we wish Jeffrey much success in his ministry to the youth and parents of our country.

Sincerely,

Sandie Hodges
Executive Director
