To Whom It May Concern:

Please accept this letter as a resounding recommendation of Jeffrey Dean.

Mr. Dean came to East Central High School (grades 9-12, 780 students) and was a hit. His words and advice to our students were on point and definitely made an impact. Mr. Dean spoke on choices: of friends, of lifestyle, of alcohol and drugs, of sex and abstinence. It was not preaching- it was from the heart; it was life experiences; it was what kids need to hear; it was REAL.

We met in two groups- males and females. I was the only other adult in the meeting. His delivery was in a way that our kids hung on his every word. It was as if they were thirsty and they drank it all in. Mr. Dean had their attention from the start and he kept it in a way that I've never seen another speaker do, especially in a high school.

For days after Mr. Dean spoke, students were still talking about him. He really made an impression on our students.

I recommend Jeffrey Dean to anyone, without reservation. If you'd like to contact me, please email at mfloyd@jaco.k12.ms.us.

Respectfully,

Marty Floyd
Assistant Principal
