EQUIPPING PEOPLE
TO IMPACT THE WORLD

September 8, 2009

To whom it may concern,

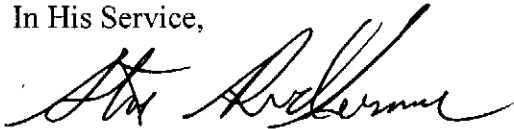

I have had the privilege of serving thousands of children and their families for over twenty-eight years through Christian camping. During that time, we have experienced many changes in our culture, the family and our youth.

Jeffery Dean understands the times and is passionate about seeing the Lord's will accomplished in our youth and their families. I believe that Jeffery is motivated by the attack on the family, the moral and social decay in our communities and the generations of children growing up without spiritual values. His style, knowledge of Scripture, authenticity, passion and relational focus allow him to speak with authority on the issues facing our youth and their families today.

Jeffery is versatile, allowing him to connect with many different age groups and settings. He is comfortable in each of these various settings. His ministry is focused on proclaiming truth in such a way as to meet people at their point of need.

If you are looking for a speaker, teacher or motivator who will partner with you to accomplish your goals, then I would highly recommend Jeffery to you.

In His Service,

Steve Prudhomme, President
