RE: Bring back Jeffery Dean to Hart Co.

To Whom It May Concern: My name is William DeVane and I'm an Assistant Principal at Hart Co. High School. I'm also the Def. Coordinator on the varsity football team and I'm the head boys track coach. I come in contact daily with a wide variety of students ranging from 9th graders up to seniors, athletes, band students, discipline issues, etc. I've been in education in the state of Georgia for 23 years. We definitely need a return visit from Mr. Jeffery Dean.

I was totally impressed during his first visit here to Hart Co. High. His command of the students, his ability to keep them interested, and his thought-provoking style was exactly what the students of Hart Co. need. Throughout all of my years in public education, I have listened to a large number of speakers and attended a tremendous number of assemblies. I can and without any reservations safely say that Jeffery Dean is the best speaker and motivator I have ever heard address high school students. We definitely need him to return back to Hart Co. as soon and as much as possible.

Please consider bringing him back and also if you didn't get a chance to hear him speak, when we schedule him, you need to come hear him speak. He's great for children as well as adults. If you have any further questions, please feel free to contact me at Hart Co. High School and our number is (706) 376-5461.

Thanks, William DeVane
