

**Im \* pact (im' pakt')** n. 1. The power of an event to produce change.

To whom it may concern,

We would like to tell you about our church's experience with Jeffrey Dean. Jeffrey has been our camp speaker for the past two summers. We have also brought him in to speak to our students during our regular Wednesday night program. In addition, Jeffrey spoke at a leadership retreat for our church's school in 2006. The following is a recommendation from our Middle School Pastor and me.

I would recommend Jeffrey Dean as a speaker for any church who is looking to have an impact in the lives of their youth. Jeffrey does a great job connecting with the kids. He's funny; however he doesn't have to rely on humor alone. He has great insights into scripture and the character of God. Off the stage, he's the best speaker I've ever met at engaging and challenging the students. He makes a real effort to spend time with the kids and answer their questions. He has integrity and a genuine personality that comes across on and off the stage that speaks to the students.

John Campbell  
Middle School Pastor  
Harvest Fellowship Community Church

Jeffrey is an amazing speaker. He really connects with students, from the stage as well as one on one. He is one of the few speakers I have met that is the same on and off the stage. He has an integrity that is apparent from the moment you meet him. He is very genuine person who speaks straight with the students. I think students sense that Jeffrey is truly concerned for them and wants to see them come to know Christ and to grow in their faith. Even after camp our students continue to be impacted by the words of Jeffrey. I was blown away this year listening to the testimonies of our students after camp about how their lives were changed by the things they heard from Jeffrey. Many of them were challenged by Jeffrey to make significant changes in the way they were living their lives. I have continued to see the positive effects on the students throughout the summer from those life changing decisions. We had 16 of our students come to know Christ at our camp this summer and many more who made decisions to live more for Christ. I would wholeheartedly recommend Jeffrey Dean as a speaker for your camps. You will get a speaker who genuinely cares about teenagers and wants to see them living for Jesus.
