

To Whom It May Concern,

We had Jeffrey Dean, as a speaker for our yearly Panama City Beach retreat with the junior high students of Hillside UMC. When we arrived, he had already been there, was set up, prayed up, and ready to go. Jeffrey's humor engaged the students, and they instantly fell in love with him.

Throughout the weekend, he spoke on our theme. Again and again, he was able to do so in a dynamic yet challenging way. We saw God move more on this retreat than on any we have taken before. The altar times became powerful moments where God's spirit kept showing up, moving through Jeffrey.

I would highly recommend Jeffrey Dean as a communicator to teens, and look forward to our ability to use him again in the future. He will be a speaker well remembered by our students.

**Passionately Seeking Him,
Andrew Graham**
