To Whom It May Concern:

If I had but one word to describe Jeffrey Dean’s address at our 2009 “Hope for the Future” Gala, it would be “Wow”. Jeffrey was able to grab and hold the attention of our 320+ audience from the minute he opened his mouth until he left the stage. I heard only excellent comments from the attendees and most told me Jeffrey was the best speaker they had ever heard at our Gala.

Jeffrey addressed the cultural crisis we are facing with our young people and how it impacts our pregnancy center. He was also able to get across the urgency and need to support our pregnancy resource center as we provide hope through the love of Jesus Christ for our clients and their unborn babies.

If you have any additional questions, please do not hesitate to call me at 940-627-6924.

God bless you,
