Dear Mr. Dean:

On behalf of the AIM Project I would like to thank you for doing two presentations in Pike County for a total of 850 students. The message you have shared was very inspirational and hopefully will encourage teens to make the right choices about their lives.

Considering the diversity of the two groups you spoke to, you had an excellent way of relating to them. I hope that we will be able to have you back again in the future.

I wish you all the best in your endeavors, our teens need a positive role model as yourself.

Sincerely,

Terry Watkins
AIM Project Director
