To Whom It May Concern:

I am writing this letter of recommendation on behalf of Mr. Jeffrey Dean, charismatic speaker to adolescents. On Monday, April 25, 2005, Mr. Dean spoke to our seventh and eighth grade students. We were pleased to have him return to our school, since the message he brings is so needful.

Mr. Dean effectively uses humor as he speaks to adolescents about some very serious situations they will probably encounter. He is able to hold their attention with stories about other teenagers and vignettes from his own life.

I do hope that funding will be available so Mr. Dean can continue to speak to our students. My hope is that Mr. Dean will be able to speak on the subject of premarital sex to the sixth graders in our district. Unfortunately, some of those students have already begun to experiment with sex before they come to us. The message he brings is not only expedient but also timeless. Many thanks to Mr. Jeffrey Dean.

Yours truly,
