

“For over thirty years, Youth Conference Ministries has been bringing the good news of Jesus Christ to Middle School and High School students through The Great Escape and Fun in the Son camps ... so we’ve seen our fair share of speakers. Jeffrey Dean is one of the exceptional few Christian communicators who balances an incredible amount of raw talent and being humbly ‘real’ as he talks to students. From the very first moment, Jeffrey connects with the kids, speaks truth directly from Scripture, is wonderfully funny, and is transparent in a way that causes young and old alike to want him to be part of their own family. Jeffrey Dean is the real deal.”
