Jeffrey Dean is an ordained pastor, communicator and author. He is the founder of Jeffrey Dean Ministries, whose mission is to *equip people to know and grow in Christ*. A 22-year veteran of teen and family ministry, Jeffrey has risen to become an authority on teens and teen culture.

With his innate ability to zero in on today's youth culture, Jeffrey connects with teens by speaking their language, understanding their dilemmas, and resonating deep within their hearts on the issues that matter most. As a true evangelist and one who is passionate in calling students to a deeper commitment to Christ, Jeffrey has spoken to more than three million people in churches, conferences, prisons, public and private schools and music festivals.

With his signature style of tackling everyday issues by applying real-life biblical solutions, Jeffrey confronts critical topics of relevance for this generation head-on equipping people to realize their purpose and value, align their priorities to God's plan and win in life.

Jeffrey has partnered with Youth For Christ, Fellowship of Christian Athletes, Josh McDowell Ministries, Boys and Girls Clubs and countless ministries and pregnancy resource centers across the country. He has also held a position on the Strategic Stakeholders Committee for the Department of Health and Human Services, Washington, D.C., and presentably serves on the Advisory Board of the National Abstinence Clearinghouse Clearinghouse.
